

Purlin Cleats 175mm

Cladco Purlin Cleats are designed to be bolted to our 175mm Z Purlins to enable you to join the Purlins to the rafters.

Manufactured from high-grade steel with a natural finish, Purlin Cleats come pre-drilled with 18mm holes for use with M16 bolts.

Benefits of Cladco Z Purlin Cleats:

- Made from structural grade steel
- Independently tested to current CE EN 14782 requirements

Z Purlin Cleats:

The Purlin Cleat design is intended for use with our 175mm Z Purlins and our production system. Bolt-on Cleats are designed to bolt into the portal frame and allow Purlins to be bolted onto them.
