

Stitcher Screws With 16mm Bonded Washer

Self-drilling “stitching” Screws are available for fixing sheet-to-sheet on laps and are also used to secure Flashings to Sheets such as Ridges and Barges.

Stitching Screws

Cladco 22mm self-tapping ‘stitching’ Screws will provide a secure and sealed joint through overlapped Sheets. You can also purchase Colour Caps designed to cover screw heads for a complete finished look.

For any help and advice, please consult our FAQs or contact us directly.
