

# EUROSIX Big 6 Vented Ridge Flashing

EUROSIX Big 6 inch Fibre Cement Vented Ridge are designed for improved ventilation and water absorption for reducing condensation.

Applications include agricultural, industrial, domestic and commercial, as well as roofing and cladding. This type of sheeting benefits from increased sound proofing and insulation properties.

Fibre Cement Vented Ridge Flashings are durable and long-lasting, requiring little to no maintenance through their lifespan. Flashings are rust, corrosion and rot-resistant.
