MATERIALS

The Ruspert® coating provides strong, multi-layered protection against weathering and corrosion.

VARIATIONS

Available in four colours, these screws can be matched to Standing Seam roofing sheets or flashings for a seamless finish.

ACCESSORIES

Each pack includes a driver bit for straightforward installation.

EASY TO USE

These stitching screws can be installed quickly with the supplied driver bit and can be adjusted or removed if required.

LONG-LASTING

The durable Ruspert® coating ensures long-term performance at a cost-effective price, making these screws a reliable alternative to stainless steel fixings.
