

# 80GSM BLUE LIGHTWEIGHT WATERPROOF TARPAULIN

Our 80gsm lightweight tarpaulins feature reinforced eyelets for easy securing and are ideal for temporary coverage of furniture, materials, or equipment. Easy to handle and versatile, they're available in nine sizes and can be secured with Cladco ball bungees.

## COLOUR RANGE

BLUE

### MATERIALS

Each lightweight tarpaulin is manufactured from tough, low-density polyethylene, which is then laminated on both sides with high-density polyethylene.

### DURABILITY

Our lightweight tarpaulin range boasts waterproof, shrink-proof and rot-proof properties, making these tarpaulins perfect for various conditions, including subzero temperatures.

### ACCESSORIES

Available accessories and tools for securing your tarpaulin in place include our ball bungees and poly rope.

### VERSATILITY

With versatile applications, our lightweight tarpaulins are suitable for both indoor and outdoor domestic uses and can be applied to a number of surfaces.

### INSTALLATION

Equipped with 12mm aluminium eyelets spaced 1m apart and a rope-reinforced hem, our tarpaulins are easy to secure and fasten with the help of ball bungees.

### SPECIFICATIONS

Thickness	80gsm
Weave Count	8x8
Material	Polyethylene
Sizes	9 Available

\*All of our tarpaulin sheets are cut sizes, which is industry standard terminology for the size of the material before it is formed into a tarpaulin. This means that when seams and hems are taken into consideration, the final size can be up to 30cm-45cms shorter.

**PLEASE NOTE:** The bigger the tarpaulin, the more support it will require. Always ensure that the tarpaulin is suitably supported according to its size.
